Kassidy was nominated for our Student Spotlight by her instructor who had this to say about Kassidy--
"Kassidy is an awesome student. Her attendance and participation are excellent! Her devotion to her studies is evident. She gives 100%!"

When asked how she thinks CVIT will help her in the future, Kassidy said--
"I see CVIT as a stepping stone for my future career. This program allows me to begin my journey with the medical field early, and work toward what I've always dreamed of becoming."

Fun facts about Kassidy:
Fav Food: Her Tia's Green Chile Chicken Enchiladas
Fav Color: Red
Hobbies: Reading, writing, listening to music, and spending time with her friends, family, boyfriend, and dogs

Plans after high school:
Kassidy plans to attend the University of Arizona after graduation to continue studying in the medical field. She set this goal for herself several years ago, and has worked hard all throughout high school to keep an amazing 3.9 GPA.

Congrats Kassidy! Thanks for being an awesome example for all!
